1947 CLASS ODE

To Gould, Alma Mater, we're singing.
Her name we will praise now and cheer.
Her ties firm will hold till we all grow old,
Strong with the strength of the years.
New laurels her sons will be winning
As they follow her motto true.
Stand now and sing, let our voices ring..
Hail to the Gold and Blue!

Now as we depart we will cherish
The friendships we've made in the past.
We'll think each day of old G. A.
Mem'ries we'll ever hold fast.
To our classmates we must say goodbye
With the hope that we'll soon meet again.
Wherever we are, though we may be far,
True friends we will always remain.
